Coring Contiveness, Jaundice, Dyspepsis, Indicetion, Dysentery, Foot Stomach and Breath, Headache, Erysipeias, Piles, Rhenmatiam, Eruptoms and Skin Diseases, Ritionaness, Liver Complaint, Dropey, Tetter, Tomore and Salt Rheum, Worms, Gout, Neursigis, as a dinage Fill, and Portfying the Biood, are the most congenial purgative yet parfected. Their effects abundantly show how much they excel all other pills. They are asfe and piessant to take, but powerful to care. They purgs out the foul humors of the blood; they stratulate the singgish or disordered organ into action; and they impart health and tone to the whole being. They enre not only the every-day complaints of every body, but formidable and dangerous diseases. Most skilligh physicians, most eminent olergymes, and our best critisms, send certificates of ourse performed and of great benefits they have derived from these Fills. They are the affect and best physic for chidren, because mild as well as effectual, being sugar-coated, they are easy to take; and being purely vegotable, they are entirely harmicas.
